Using the (HE)-JMK300 and JMK0925 Hose Press.

JMK300

JMK0925

### WARNING!

This catalog contains information for an experienced hose assembler. If you do not have any experience assembling hydraulic hoses do not attempt without proper training as serious injury or even death may occur.

## IDENTIFICATION OF THE HOSE

Caterpillar has three types of hoses that you can use the RE-Usable couplings with.

**YOU MUST MAKE SURE THAT YOU USE THE PROPER COUPLINGS AND SLEEVE WITH THE PROPER HYDRAULIC HOSE. OTHERWISE SERIOUS INJURY OR EVEN DEATH MAY OCCUR IF HOSE IS NOT ASSEMBLED CORRECTLY.**

THE THREE TYPES OF HOSES ARE:

CAT	CAT ID Symbol	HYDRAULIC EXPRESS	COMMENTS
XT3	^	MJ12	up to 4000 psi working pressure
XT5	+	MJ13	5000 psi psi working pressure
XT6	UHP	MJ15	6000 psi psi working pressure
